

廃食油とBDF

The image shows three glass jars with white labels and blue caps, arranged from left to right. The first jar is filled with dark, reddish-brown waste cooking oil. The second jar contains a lighter, orange-red oil labeled '従来 of BDF B100'. The third jar is filled with a clear, colorless oil labeled '高純度 BDF'.

集めた油は **県内初!**
高純度BDF
(軽油・重油の代替燃料) に!
市内で使用し、国東市の二酸化炭素を削減します!
